

kuiper PLSD oplegger semi dieplader 16 TON MET LUIKEN

General characteristics

Brand	kuiper
Subcategory	Semi lowloader
License plate	OK-57-XS
Year of construction	2009
Date of first registration	10-09-2009
Condition	Used
Reference	1837

Properties

Single weight	3.770kg
Load capacity	12.230kg
GVW	16.000kg
Length	1.065cm
Width	237cm

Technical specifications

Number of axes	2
----------------	---

Description

semi-trailer low loader brand Kuiper license plate OK-57-XS year of manufacture 10-09-2009 16,000 kg total 12,230 kg payload semi-trailer dimensions length 10.57 meters total width 230 cm entry gooseneck 260 cm long HATCHES 30 CM HEIGHT loading section 7.97 meters long HATCHES 40 CM HEIGHT 16 x lashing eyes in the floor 2 steel ramps W 56 x L 240 2 axles dual air 6 X BOXES price semi-trailer € 19,950.- euro excl.
